Forest Lakes Mutual Water Company

ENERGY STAR® Appliance Residential Rebate Program

Rebate Eligibility Requirements

Low Flow showerheads are eligible for a rebate of up to \$25.00

ENERGY STAR® certified dish washers are eligible for a \$100 rebate.

ENERGY STAR® certified clothes washers are eligible for a \$100 rebate IF ALL toilets, showerheads, faucets, and dishwasher meet low flow standards

- ◆ Rebates are given only on ENERGY STAR® certified clothes washers or dishwashers.
- ◆ The clothes washer or dishwasher must be **purchased new at retail price and installed.**
- ◆ The appliance must be installed at a residential location served by Forest Lakes Mutual Water Company.
- ◆ The rebate application form must be **filled out completely and submitted with a copy of the itemized sales receipt** to Forest Lakes Mutual Water Company.

Look for the ENERGY STAR® Most Efficient 2021 and ENERGY STAR® logos when purchasing your appliance:

Procedure

1. Verify with the appliance retailer that the appliance you are purchasing is ENERGY STAR® certified or visit www.energystar.gov for more information. Purchase and install your new low flow showerhead, clothes washer or dishwasher.
2. Complete this rebate form and attach a copy of the sales receipt showing the model of the appliance and date of purchase. Submit completed application.
3. Allow for 4 weeks to receive a check in the mail.
4. An on-site inspection by a Water Company representative may be required to verify installation and compliance with the Rebate Eligibility Requirements listed above.
