Forest Lakes Mutual Water Company

Summer Lake Hours / List of Lake Rules

1:00 to 6:00 Weekdays / 1:00 to 6:00 Weekends

Lake access is for FLMWC stockholders, their tenants, and guests. Access is also granted, with an annual pass ($125 fee), to Forest Lakes Tract non-stockholder residents. To ensure a **safe and fun** visit, the following rules apply to all Lake users:

1. No one can use the Lake without a proper FLMWC Swim ID card. Borrowing Swim ID cards from stockholders is prohibited. The lifeguard may ask to see your Swim ID card at any time. If Swim ID card is lost, please get a replacement card from the office (**$25**). Cards will not be issued to stockholders with past-due assessments.

2. Failure to obey all instructions given by lifeguard will result in temporary loss of lake privileges, at the lifeguard's discretion. Gross rule violations will result in seasonal loss of swimming privileges by the FLMWC Board of Directors.

3. No entry into Lake area without lifeguard in attendance. Get out and stay out of Lake, as instructed by Lifeguards, during breaks.

4. Minors unable to swim (as determined by lifeguard) and swimmers under 13 must be accompanied at all times in lake area by a responsible person at least 15 years. Lifeguards are not childcare providers. Do not drop off anyone under 13 years of age unsupervised.

5. **Absolutely NO diving from lakeside.** Diving only from swim platform mid-lake. Divers from lakeside will be warned once, then asked to leave lake for remainder of the day.

6. No boats, kayaks, paddleboards, or paddles. Boogie-boards okay. Only soft-material, single/double floats that do not block Lifeguard's view of nearby swimmers.

7. Do not store personal floats, gear, sun-shades at lake. Please bring and take back home each visit. At end of day, all gear left inside fenced area will be removed to outside of gate.

8. No running, pushing, or throwing persons into the Lake. No throwing rocks, sand or other material.

9. No alcoholic beverages or displays of intoxication. No glass containers. *Please keep our lakeside clean!*

10. Private parties (birthday, etc.) over 6 people must make 5-day advance reservation with office. Reserved parties 10-person max on weekends and 15-person max on weekdays.

11. Dogs are not allowed at the Lake.

12. Per FLMWC Liability insurance, **absolutely no fires/BBQs of any kind are allowed on lake property**, whether inside or outside the enclosure. Violators will be asked to leave and swim passes may be revoked.
